**\$200.00**

The National Football Foundation, Portland Chapter, is proud to host our annual fundraising Golf Tournament at Chehalem Glenn Golf Course. Our non-profit organization has helped hundreds of deserving high school students over our fifty-year history and has provided specific funds for inner city programs. The 'Pay for Play' programs have been an important contribution in our chapter's philosophy. We currently serve a total of eighty-three high schools, and give out over \$20,000 annually at our December banquet at the Red Lion at Jantzen Beach. It is truly a first class event that is attended by roughly a thousand people each year and sixteen deserving senior football players are honored for their commitment in the classroom, service to their communities, and their football abilities. Thank you for supporting our very important organization and getting involved to help change young peoples lives. Your \$200.00 contribution provides tax benefits that will be sent to you at the end of the year.
